

Dear all,

We have recently added a testimonial function to the car, motorcycle, and cycling sections of our website, to give prospective members a positive idea of what they can hope to gain through joining the IAM. Please have a look for a better idea:

Car: <http://www.iam.org.uk/testimonials/testimonials.html>

Motorcycle: http://www.iam.org.uk/testimonials_motorcyclist/motorcyclisttestimonials.html

Cycling: http://www.iam.org.uk/testimonials_cyclist/motorcyclisttestimonials.html

While this is a really good start, we would like lots more like them, to populate the list better. If you have a good experience to report, or know of a new member who has enjoyed their training please could you send me a message at: caroline.holmes@iam.org.uk

If you/they are willing, names, ages and photos would also be much appreciated to give the pages a friendlier feel.

Kind regards,

Caroline Holmes
