T: 01926 817555

Directions: The entrance to Walsgrave Hospital is on the B4082, Clifford Bridge Road, Coventry. You can get onto this road from the A46 Coventry Eastern Bypass and follow the hospital signs from the A46. Turn into the hospital and at the second roundabout turn right and follow the road (100mtrs?) until the car park on your right ends and there should be a small road/drive on your right. Turn into this and follow it to the end (100mtrs?) and you will see the social club on your left. There is a sign pointing to the social club at the beginning of this road.
